

Bexley Schools DEI ELA Audit Core Team HERE'S WHAT! SO WHAT? NOW WHAT? Data Protocol Template

HERE'S WHAT!
(individually)

**Facts,
information,
data specific
examples**

*What data jumps out at you?
Write down the key data findings
from each working group*

- Listen to the presentation and review the data in the [Working Groups Data Folder](#)
- Write down all of the factual data that you feel is important to this work in each of the categories below

| Curriculum & Texts | Instructional Approach | Student Experience |
|--------------------|------------------------|--------------------|
| | | |

So What?
(individually)

**Inferences,
Interpretations,
Priorities**

What does the data say?
*What are the common themes
across the working groups?*
What are the needs and priorities?

- Review all of your data points
- Identify the needs, priorities, and common themes for each area
- List as many as you can think of then identify your top ones (no more than three in each area)
