

The Great Green Bexley Independent Study Challenge 2020-2021

Sponsored by the Bexley Community Foundation
Brought to you by Bexley's Environmental Sustainability Advisory Committee

Join Bexley's Environmental Sustainability Advisory Committee in **learning, planning, changing,** and **advocating** for sustainable changes.

Be a Captain Planet- we're all counting on you!

DIRECTIONS: Over the course of this month, complete the following tasks and mark your responses on this form either on a printed copy or directly online. Once everything is complete, submit your form and any additional work to info@greenbexley.org. At the end of the month, we'll randomly select four winners who completed the entire project to win a prize. Make sure to come back next month for another challenge. Thanks for helping save the planet!

There will be four winners, one for each of the following categories:

- Kindergarten, 1st, and 2nd graders will be entered to win \$10
- 3rd, 4th, and 5th graders will be entered to win \$20
- 6th, 7th, and 8th graders will be entered to win \$30
- 9th, 10th, 11th, and 12th graders will be entered to win \$40

If you feel an additional grade bracket is better suited for your student, please let us know. All students living or learning in Bexley are eligible to participate to compete for the prizes! Questions? Email us at info@greenbexley.org.
