

THE OHIO STATE UNIVERSITY

Exciting Opportunity for Children with Language Impairment!

We want to understand the amount of therapy that children with diagnosed Language Impairments need to improve their vocabulary skills.

If your child...

- ✓ Is between 5 years, 0 months & 6 years, 11 months
- ✓ Has Language Impairment as a primary diagnosis
- ✓ Primarily speaks English
- ✓ Receives services through their school

They may qualify to participate!

Participants will...

- ✓ Receive EBP Language Intervention (equivalent to \$3,000 worth of therapy if it were paid out of pocket)
- ✓ Participate remotely (online only)
- ✓ Receive up to \$100 in gift cards

WE BELIEVE THAT THE
CURRENT OBSTACLES
OF ACCESS TO
REGULAR ROUTINES,
SCHOOLS, AND OTHER
RESOURCES MAKE
THIS OPPORTUNITY
FOR FAMILIES
EXTREMELY VALUABLE
