

# INFORMATION SESSIONS FOR WHITEHALL BEXLEY MAY 8 AND MAY 22

rotary  
youth  
exchange

Rotary Youth Exchange (RYE) is an international student exchange program for students in secondary school. Students can choose either to spend a year abroad attending school and staying with host families; or participate in a family-family exchange during the summer break. To learn more about Rotary Youth Exchange opportunities please join one of the two upcoming information sessions. Hear from Bexley students who participated last year as outbound exchange students, and also from former host families to inbound exchange students.
