Where students learn to...  
Write Discover Create

New year, new programs! Join us for four, fun-filled Saturdays as we take our Writing Wizards *to you* via Zoom. Check out our classes below and register today on our website, [www.thurberhouse.org](http://www.thurberhouse.org). **Registration deadline is Friday, February 19.**

**Dates:** Four Saturdays - Feb. 27, March 6, 13, 20

**Cost:** \$70 for 2nd-5th grades; \$100 for 6th-8th grades.

**Location:** Online with Zoom.

## 2/3 Graders

**Mix and Match Madness**  
10:00 - 11:00 a.m.

What happens when you combine a shark and a giraffe or a bike and a plane? We'll imagine the craziest combinations and you will create stories and drawings to make them come alive!

**Mission to Earth**  
12:00 - 1:00 p.m.

Aliens have invaded! You will collaboratively create a planet, its inhabitants, and all kinds of problems and maybe invade Earth. It's all up to you and the sky is NOT the limit.

## 4/5 Graders

**Write with Abandon**  
10:00 - 11:00 a.m.

A picture is worth 1000 words. We will look at inspiring photos of abandoned places and imagine what stories they might tell. Cautionary tales? Unsolved mysteries? The possibilities are endless.

**Extra! Extra!**  
12:00 - 1:00 p.m.

Put on your journalist's hat as we have fun taking events from your own life and transforming them into articles. By the end, you will have the beginnings of your own newspaper!

## 6/7/8 Graders

**Poems for Life**  
10:00 - 11:30 a.m.

The world is full of weird events...murder hornets?! You'll learn to look at real-world events like a poet, and have fun reinventing them through your writing and making your voice heard.

**Ensembles Assemble!**  
12:00 - 1:30 p.m.

What if we make a whole ensemble of vampires, robots, and more, each created by a person in the class, all in the same shared story? Writing a character is fun—but writing a universe together is magical.
