

Scouts BSA

For the first time in its history, the iconic program of the Boy Scouts of America, formally known as Boy Scouts, will be open to young women.

What is Scouts BSA?

Scouts BSA is a year-round program for young men and women in fifth grade through high school that provides fun and adventure, while building leadership skills to help them become the best version of themselves.

Information Night for Troop 166

Thursday, January 10, 2019
7:00 – 8:00 PM
Bexley High Community Room
Youth 11+

About Troop 166

For over 75 years, Troop 166 has provided the iconic BSA program to the young men of Bexley, graduating over 100 Eagle Scouts. Starting in 2019, we are adding a new Troop for young women ages 11-17, which will share resources and adult leadership with the existing Troop and offer the same program but will be led by the new Troop's all-female youth membership. Another opportunity in Bexley is the new Venturing Crew. Venturing provides a co-ed option for young men and women ages 14-20 in a less formal program for outdoor adventure.

We emphasize the BSA's time tested, youth-led model in all of our activities. We go on an outdoor adventure every month and earn service hours year round.

We have fun, and lots of it!

Troop meetings are held weekly on Monday nights from 7:30 - 9:00 p.m.
at Bexley United Methodist Church.
