

# THURBER HOUSE YOUNG WRITERS' STUDIO

## SO YOU LIKE TO WRITE...

You're in luck! Thurber House Young Writers' Studio offers 9th-12th graders a fun, safe space to get creative. We meet every other week with CCAD professor Robert Loss. We spend the first hour on writing activities that will help you create new characters and concoct out-of-the-box plots. Then, after a break for provided snacks, we workshop pieces that you or others bring in. It's a great, low-key opportunity to create something new and meet others who also love to write!
