

*your
ordinary family
is
extraordinary*

**YOUTH FOR UNDERSTANDING
Intercultural Exchange Programs**

Are you ready to discover the best in yourself and your family but not quite ready to study abroad? Your ordinary family is extraordinary to an exchange student. This school year, share your traditions and customs while learning more about others. It's an experience for the whole family.

**YFU is currently seeking families to host motivated students from
around the world for the upcoming academic school year.**
