

Memorandum

To: Marlee Snowden, President of Bexley Board of Education
Mike Johnson, Superintendent of Schools

From: Laura Lipsett, Executive Director

Date: 06.22.15

Subject: Reported bully incidences 2014-2015

The district is required to provide semi-annually to the president of the Board of Education a written summary of all reported bully incidences and to post the summary on the district Web site to the extent permitted by 3319.321 of the Ohio Revised Code and in accordance with Family Educational Rights and Privacy Act (FERPA) 1974.

On the district's Web site, there is an option for online reporting of bully incidences. Building principals follow-up by investigating and determining recourse. The district uses Power School to log incidences.

This memo includes number of bully incidences reported in PowerSchool by building principals. Districts are required by law to report bully incidences to the state. Data is pulled from PowerSchool by the district's database administrator and is reported to the state's Educational Management Instruction System (EMIS). For school year 2014-2015, bully incidences were reported only by middle and high school principals with no bully incidences reported by elementary principals:
