... **You are responsible** for your use of the Services, for any Content you post to the Services, **and for any consequences** thereof. The Content you submit, post, or display will be able to be viewed by other users of the Services and through third party services and websites ... You should only provide Content that you are comfortable sharing with others under these Terms.

... In consideration for Twitter granting you access to and use of the Services, **you agree that Twitter and its third party providers and partners may place such advertising** on the Services or in connection with the display of Content or information from the Services whether submitted by you or others.

... You understand that through your use of the Services you consent to the collection and use (as set forth in the Privacy Policy) of this information, **including the transfer of this information to the United States and/or other countries for storage, processing and use by Twitter.**

... Twitter **has an evolving set of rules for how ecosystem partners can interact with your Content.** These rules exist to enable an open ecosystem with your rights in mind. **But what's yours is yours – you own your Content (and your photos are part of that Content).**

... **We will respond to notices of alleged copyright infringement** that comply with applicable law

... IN NO EVENT SHALL THE AGGREGATE LIABILITY OF THE TWITTER ENTITIES EXCEED THE **GREATER OF ONE HUNDRED U.S. DOLLARS** (U.S. \$100.00) OR THE AMOUNT YOU PAID TWITTER, IF ANY, IN THE PAST SIX MONTHS FOR THE SERVICES GIVING RISE TO THE CLAIM. ... All claims, legal proceedings or litigation arising in connection with the Services will be brought solely in the federal or state courts located in **San Francisco County, California, United States.**

... **When using any of our Services you consent to the collection, transfer, manipulation, storage, disclosure and other uses of your information as described in this Privacy Policy.**

... If you connect your Twitter account to your account on another service in order to cross-post between Twitter and that service, **the other service may send us your registration or profile information on that service and other information that you authorize.**

... **Our default is almost always to make the information you provide public for as long as you do not delete it from Twitter,** but we generally give you settings to make the information more private if you want. Your public information is broadly and instantly disseminated. For instance, your public user profile information ... are immediately delivered via SMS and our APIs to a wide range of users and services, with one example being the **United States Library of Congress, which archives Tweets for historical purposes.** When you share information or content like photos, videos, and links via the Services, **you should think carefully about what you are making public.**
